

Dear Haven Family,

As you know, the “state of emergency” continues in our great state and now seems to have heightened a bit with the new executive order to residents to *remain at home or in their place of residence to the maximum extent feasible in order to radically slow the spread of this disease*. This action may seem a little extreme, but extreme measures are needed now to prevent extreme consequences in the future. We must all do our civic duty so that together we can stop this thing and prevent many from getting sick.

In accordance with this new order, Haven Church will not be open for regular office hours and the staff has been directed to work at home as much as possible. Fear Not... God has still got this and us, and we know things will get better relatively soon. Please also know that the staff and leadership of Haven Church is committed more than ever to continue to care for and be there for you! Please continue to pray for us, Haven, our community, and the entire world as we go through this together.

Although things are changing rapidly, below is what we do know as of March 23. Thank you so much for your patience, faith, and joy through this time and remember...**stay connected...stay calm...and stay on course.**

Sunday Services Cancelled: Our Sunday service is still canceled, but our new Sunday morning series “Fear Not” will continue this Sunday with a message entitled **“God’s Got Hope.”** Thanks to our wonderful tech and media team, it will be ready to view in a video format, or listen to the audio, by Saturday afternoon! You can find how to watch or listen on our [website](#).

Daily Encouragements: You can continue to view daily one - minute encouragement videos from Pastor Shawn and I on our website, [Facebook](#) page (@havenchurchkzoo), or on [Instagram](#) (@havenchurchkzoo).

Prayer Requests: We want to continue to pray for your specific needs so please email your prayer requests to: office@haven-church.org

Continue to pray and grow: We all may now have more discretionary time in our day. Let use this time to pray a little extra and to spend more time in God’s word!

Please continue to give: We thank you so much for you continued giving during this time. We are trusting God that He will continue to provide for us as a church so we can continue our mission of Loving God and People. You can give on our website, mail your gift to the church, text “Haven” then the amount to 45777, or call us and we will pick up your gift.

Connect with us: If you need anything or we can serve you in anyway please let us know. Although the office will be closed, we are still available by phone and email.

Special plans are in the works for Easter!!!

We also recommend familiarizing yourself with the CDC and World Health Organization recommendations found at www.cdc.gov

Please continue to pray for our church, our community, and nation, and for those around the world who are struggling and need the comfort and strength of Jesus. Let’s all continue to “Be The Church”!!

Love and miss you!
